

Day 1 -

Read a **Bible** story together.

Reading - Go on Starfall.com. Do some ABC activities.

Do some reading activities, i.e., click on the snowman and read the story about 10 snowmen

Writing - Do the page about making compound words with the word snow. Make your own snow compound word on the back.

Write very carefully using the three lines.

Science and Math - Have your child help you to make snowball cookies. See you tube video

www.youtube.com/watch?v=j8s9_kwbAeo.

How are snowball cookies like real snowballs?

How are they different?

Count by 10's how many snowball cookies you made.

Sort cookies into how many snowball stayed together and how many fell apart. Count the different groups.
